about
vivechana

Vivechana - The Exclusive CEO Forum of Council for International Economical Understanding (CIEU), is a membership-based discussion, research and opinion making forum designed to help CEOs be aware of and shape developments in the new world order to help shape their organisations and policies and also the lives of those that the organisation touches to ensure that the impact is felt by the last man standing.

Vivechana is not just a source of ongoing information and insight, but also aspires to be the largest, most impactful place to discuss immediate concerns and long term ideas and policies.

Vivechana engages India's top CEOs on relevant issues while keeping the academia, bureaucracy and the political class engaged along with Civil Society to shape the larger policy trends that will not just drive growth but also impact the common man. With closed door discussions and exclusive access to the who's who of India, Vivechana is at the forefront of shaping discussions and trends not just in India but globally under a special charter of CIEU.

With media and influencers a key component of the closed door discussions, Vivechana allows its exclusive members the ability to drive change for themselves, their companies and for the country at large.
